Thomas Fitzgeorge Dunckerley – The First Provincial Grand Master of Essex 23rd October 1724 – 19th November 1795

From the age of 10 years Thomas Fitzgeorge Dunckerley, served in the Royal Navy. His mother died in 1760 and on her death-bed confessed that he was the natural son of HM The King, George II (who would have been Prince of Wales in 1724 and who, himself, died in 1760). In 1767 HM King George III was informed of Thomas Dunckerley's heritage and awarded him a generous pension from the Privy Purse; after which he went on to study and practice law.

While in the Royal Navy, he had been initiated into Lodge No. 31 meeting at the Three Tuns in Portsmouth on 10th January 1754 and thereafter devoted much of his leisure time to the Order. In 1760 he was commissioned by the Grand Master (GM) to *'regulate masonic affairs in the newly conquered Canadian territories, or in any other part of the globe he might visit where no PGM had been appointed.'* In 1767, following his return from Canada, he was installed as Provincial Grand Master (PGM) for Hampshire & the Isle of Wight, but he resigned in 1776 in order to become the first PGM of Essex. At that time, there were four lodges in Essex, Angel (then No. 64) at Colchester, Perfect Friendship No. 250 at Chelmsford, St. Nicholas No. 257 at Harwich and Freedom No. 430 at Maldon. He was PGM of Essex from 1776 - 1795 and maintained his interest in this Province despite, in 1777, also being appointed Superintendent (Supt) of Lodges for Wiltshire and Dorset and between 1784 - 1795 as PGM, with a view to promoting the Craft in those Counties, for Dorset, Gloucestershire, Somersetshire, Hampshire (for the 2nd time), the City & Council of Bristol, the Isle of Wight and Herefordshire. He went on to also become Grand Superintendent (GSupt) of the Royal Chapter of Royal Arch Masons in 1791 and thereafter the GSupt of 18 Royal Arch Provinces.

It is clear he played a very conspicuous part in the history of Freemasonry and is believed to have aided in reconstructing and modernizing the lectures and ritual.

(13th July) Following the announcement by the Prime Minister on 12 July, relaxing the Covid-19 restrictions, UGLE reiterated its stance, which will continue to apply when restrictions are eased in England from 19 July 2021.

1. In holding Lodge and Chapter meetings it is essential that Brethren and Companions comply with all legal requirements from time to time in force.
2. Provided that they do so, it is not UGLE's policy to impose restrictions on meeting beyond those required by the law.
3. No pressure must be applied to anyone either to attend or refrain from attending meetings.
4. The same principle applies to the wearing of face coverings, which should be regarded as a matter of personal choice.
5. The use of the modifications to the ceremonies, introduced in the summer of 2020 to enable ceremonies to be performed, should cease as soon as is practicable, except where local legal requirements are imposed in relation to such matters as social distancing.
6. The ceremony of Raising (and of Exaltation in the Royal Arch) is once again permitted.
7. It is nonetheless sensible to ensure that a candidate for any degree, and in particular that of initiation, is made aware that the ceremony he will undergo will involve a measure of physical contact, so that he can make his own decision as to whether to proceed with it at this time.

8. Regulations 5 to 11 of the Temporary Emergency Measures for Covid-19 remain in force, to the extent that they are needed, until 31 December 2021, or such earlier date as the Grand Master or the Pro Grand Master on his behalf shall direct. The Pro Grand Master has directed that Regulations 1 to 4 shall cease to apply from 19 July 2021 except in relation to the unexpired period of a suspension already notified in accordance with them.

The museum has enjoyed a bumper year not just in terms of acquisitions, but of also an increase in visitor numbers. This growth in interest has been a direct correlation to the way brethren have engaged with the membership drive and have come to realise that there is more than one source to garner information of Freemasonry.

The process of gaining Accreditation for the museum continues with my attendance on the Accreditation Process, via the Eventbrite platform, which is supported by Essex Museum Development and the Arts Council Cultural Fund, along with other financial support from the Essex County Council.

I have been approached by the East of England Arts Council who have tentatively suggested that the Provincial museum could enhance a cultural exhibition narrating the history of Essex, which will be a permanent feature in County Hall, Chelmsford. Negotiations are at an early stage and if the concept progresses to a reality, then the Provincial Grand Master will have to be consulted and the museum will probably have a new home.

Having recently received some regalia from a number of the other Masonic Orders, we are almost in the situation where every one of those Companion Orders is represented and added to this, a couple of collections of books have been donated, which came from serious collectors, the reference potential of these is quite astounding.

Without that foresight and generosity of the many brethren who donate, or lend items and books, I very much doubt if the unit would exist in the manner that it does, to those Brethren, a sincere thank you.

I am, as always, grateful to W.Bros. Peter Smith, David Rootkin and Bro. Stuart Ripley for their unstinting support.

To conclude this Report, we as a team are indebted to the Provincial Grand Master and his Executive for their continued support and who always have our success at heart and without whom, the Museum of Essex Freemasonry would not be the resource that it is.

As a reminder the opening hours are from 10:00 hours to 13:00 hours, every Tuesday.

Teddies for Loving Care – TLC Appeal (Essex)

In early 2000 the wife of a member of Thames Mouth Lodge No. 6994 was admitted to Southend Hospital following a serious allergic reaction. She received life-saving care and the members of her husband's Lodge resolved to make a donation to the hospital's charity. One member, W.Bro Neil Beverley, PSGD, PAPGM thought about how distressing it must be for patients, particularly children, in her position and he decided they could do better than a donation and came up with the idea of Teddies for Loving Care. The first TLC Teddies, purchased with donations received from Essex Lodges & Chapters, were distributed to Essex & Greater London Hospitals when the scheme was launched in March 2001.

We now donate Teddies to A&E Departments at Southend University Hospital, Basildon University Hospital, Colchester University Hospital, Princess Alexandra Hospital (Harlow), Broomfield Hospital (Chelmsford), King George Hospital (Redbridge), Queen's Hospital (Havering) and Whipps Cross Hospital (Leytonstone). In addition we donate Teddies to five (5) Walk-in/Minor Injury Centres in Essex, the Essex & Herts Air Ambulance and the NHS Child Death Review Team.

The Appeal has spread to all Provinces in England & Wales and is also strong in North & Southern Ireland and New Zealand with enquiries recently being made by brethren in Holland.

We provide about 20,000-24,000 Teddies in Essex each year and we have donated over 500,000 since the Appeal started. In 2022 the global total passed 3.5 MILLION Teddies donated! Teddies are given to children who have suffered a trauma so the Appeal has not just given away 3 million Teddies, we have helped 3 million children at a time of significant distress in their lives.

We could not 'push' our Appeal during Festival 2022 and that and the closure of masonic lodges during the Covid-19 pandemic led to a £15,000 shortfall in donations during 2022. Fortunately the Trustees had ensured we had reserves for just such an eventuality and we were still able to meet demand; but we do now need to make up that loss.

We would ask brethren to consider annual donations to the Appeal. Possibly the proceeds of one raffle each year? In the next few months we will be launching a patronage certificate scheme to recognise the long-term (and sometimes considerable) support we receive from some brethren and their Lodges & Chapters. The levels will be: Supporter (£500); Bronze Award (£1,000); Silver Award (£2,500); Gold Award (£5,000).

Donations via Bank Transfer can be made to our business account: 'TLC Appeal', Account No: 03094047; Sort Code: 30-97-84.

Cheques made payable to 'TLC Appeal' should be posted to TLC Appeal (Essex) c/o 204c High Street, Ongar, CM5 9JJ.

Please use your Lodge or Chapter number in the format L1234 or C1234 as the reference (online or on the reverse of the cheque) and email Treasurer@TLCessex.org.uk with details of the donation and the date it was transferred or posted.

I had the privilege of being elected as the Chairman of the Teddies for Loving Care Charity, aka TLC Appeal (Essex), earlier this year (2023) and will now dedicate my time to raising the profile of the Appeal.

I thank those of you who have continued to support us as well as our Trustees, Committee Members and Centre and Hospital Coordinators who give so much of their time and without whom we would not be able to make the difference we do on behalf of this Province.

The Study Circle meets at Saxon Hall, Aviation Way, Southend-on-Sea, SS2 6UN and membership is open to all Masons, in good standing, who wish to further their Masonic knowledge and understanding in all aspects of the Craft and the Holy Royal Arch.

Our meetings begin at 8.00pm and conclude precisely at 9.30pm at the latest. The meetings are held four times a year, normally on the first Thursday in March, May, September & December. The December meeting usually concludes with a Cheese & Wine reception.

You will be made most welcome at any of our meetings, which are held in a friendly, informal atmosphere and amongst like-minded brethren. We do not wear regalia and our dress code is smart casual.

Lectures are given on a wide diversity of topics, either by one of our members, or by a specially invited guest. The facilities at Saxon Hall, allow for talks to be presented via PowerPoint, or a similar medium and not restricted just to lectern presentations. There is a popular agenda item, 'Objects of Masonic Interest' when members or guests exhibit Masonic items to explain about them or to seek further information.

The annual subscription is a modest £3.00.

We exist to bring social occasions to Freemasons and their partners, and to support widows of members who have died.

Our activities are arranged by a small committee on an ad-hoc basis and include luncheons, outings and away breaks.

We endeavour to raise charitable funds that support local charities and in a few years prior to the lockdown, we have given over £5,000.00 to a handful of charities including £1,600.00 to Acorn Village.

Hamilton Court Masonic Housing Association

House Committee:- P.M.Loveloek (President), R.P.Mathew (Chairman), N. Jackson (Deputy Chairman), C.R.Gunn (Secretary), C Sampson (Treasurer & Membership Secretary), Mrs S. Skinner (Scheme Manager) Mrs L. Loveloek (Housing Secretary), T.A. Mynard, G. Duce, K. Turner, M. Frost, Mrs H Frost, G. Forder. S Verlander. M Pearson

Hamilton Court is a Masonic Charitable Housing development of 43 Warden-controlled flats situated at Nelson Place, South Woodham Ferrers, Essex CM3 5FJ which was opened in November 1983 and is one of five such schemes located across the country from Essex to Staffordshire.

Unlike R.M.B.I. Residential and Nursing Homes, Hamilton Court offers sheltered accommodation for twelve married couples and thirty-one single persons (55+years old) in self-contained unfurnished flats, each with a bedroom, a lounge, a new wet room and a new fitted kitchen. These specially designed homes are ideal for active retired persons who wish to retain their total independence, do their own shopping, cook their own meals and have their own front door, but who find the presence of a warden and stable housing costs, of reassurance and comfort.

In addition, the building has a Common Room, which is equipped with colour TV, VCR, DVD, Sonos music centre and library, and a conservatory, both of which are used for coffee mornings, bingo evenings, and other regular events. There is a guest room for overnight visits by tenant's relatives; a disabled toilet; a free laundry room and attractive gardens with new wicker garden furniture a new raised pond and secluded lighting.

The day-to-day running of Hamilton Court, beyond the normal duties of the Scheme Manager, is entrusted to a House Committee of volunteer Essex Masons. A Chairman, appointed by the Provincial Grand Master, together with his committee brings a variety of skills and professions to the administration of the complex. The principal aim of the committee is to ensure that a community spirit prevails to make the tenant's lives as comfortable as possible. For more information please visit our web site www.hamilton-court.co.uk.

A fund has been established to provide for the entertainment and additional comforts that make Masonic sheltered accommodation unique. There is a registered charity, called Hamilton Court Charitable Association No 294862, which relies upon donations from Lodges, Chapters and other orders within the Province, as well as from individuals.

As every Lodge will have elderly brethren and widows who find house maintenance becoming more difficult and costly, it is strongly advised that every Lodge Almoner, Secretary and Master becomes familiar with this alternative housing option in order that timely advice may be given.

Association of Friends of Prince Edward Duke of Kent Court

The Association of Friends is a registered charity number 1057867 and the objects of the Association are to relieve and assist by all charitable means the residents of Prince Edward, Duke of Kent Court, Stisted Hall, Stisted, Braintree.

Trustees

President	Barry Stedman
Chairman	Clive Dunnico
Vice Chairman/ Residents' Activity Organiser	Nigel Oldacre
Treasurer	Graham Elvidge
Secretary	David Badger
Residents' Almoner	Karine Oldacre
Membership Secretary	Lloyd Harris
Fete Organiser	Paul Plamer
Trustee	Graham Larke
Trustee	Andrew McLeod

The Association's website may be found at <http://www.friendsofpedokc.org.uk/> which contains much information that is regularly updated and includes details of our Area Representatives. Lodges, Chapters and Brethren who wish to know more about our activities should contact the Secretary to the Trustees, David Badger, at david@davidbadger.co.uk or 22 Elmsleigh Drive, Leigh-on-Sea, Essex SS9 3DN. He will also give details of how to become a member of the Friends, the annual subscription for which remains at a modest £10.

A form is available on our website. New members are always welcome and their support is much appreciated. It is hoped that more speakers will become available to visit lodges, (by invitation received from a lodge and paying for their own meal), to communicate information about the Home and the work of the Association.

The new database is ready, at no cost to the Association, and this will make communications between the Association and those who are interested in our work so much easier. It is a good idea to keep an eye on our website to see the progress being made. Our Membership Secretary Lloyd Harris is responsible for the database.

Each month we pay around £1,600 to an Amenity Fund which enables residents to enjoy outings and events within the home. Additionally we pay for a visiting chiropodist and hairdresser. Equipment beneficial to the residents is also purchased by the Association.

We also provide funds to allow residents to share in social events and outings and, for the benefit of those who are seriously physically disadvantaged, the Association has purchased specialised "Profile Beds" and a makeover of the pond and surrounding area in the grounds.

And in the grounds the Friends have funded a 'safari park', with life-size models of wild animals scattered around with specially adapted eight-seater golf carts to enable residents to 'go on safari'.

In addition to the substantial financial expenditure we make to enhance the lifestyle and comfort of the residents, we also mix with and create personal friendships with them and special thanks go to Nigel and Karine Oldacre who work tirelessly to assist the staff in maintaining the happy atmosphere.

Each year in July a Summer Fete is held, providing much fun and enjoyment for people of all ages. Brethren, their families and friends together with their children are most welcome to attend this event which continues to raise funds for the Association and gives much enjoyment to all. Sadly since Covid, this event has had to be cancelled.. But in 2023, we are planning a tea party for the residents and their families, and we are already planning to revive and renew the fete for 2024.

News of what is happening at Stisted Hall is available on our website <http://www.friendsofpedokc.org.uk/> which gives details of the wonderful work carried out for the benefit of the residents and the support given by the Association of Friends and our band of volunteers.

Essex Provincial Almoners Fund – EPAF

(Registered Charity No. 1177292)

The charity was officially launched on the 30th March 2019 and is a Charitable Incorporated Organisation (CIO), registered with the Charity Commission

How is the Fund Managed?

A board of trustees manages the affairs of the charity under the Chairmanship of W. Bro Gary Hostler, the Provincial Grand Almoner. He and the charity's Finance Officer, John Mansfield look after the day to day matters that the charity is asked to deal with and are held to account financially and practically by the trustees

What Makes Up the Fund?

The fund only operates with a current account, which is managed by John Mansfield and which is examined each year and presented to the Trustees. All monies spent are first agreed by both the Chairman and the Finance Officer. Typically, the fund does not spend more than £50K pa

How is the Money Used?

Our aim is to use this money very quickly, often within 24 hours to give immediate relief from suffering connected to either or both, financial or health matters.

The fund is also used to provide support to our masonic widows who have become unattached from their own lodges.

Who is Eligible for Help?

All Essex masons and their eligible dependents who meet the criteria for help. Details of such criteria is available from the Provincial Grand Almoner, W. Bro Gary Hostler on 07799 803052 or from any of the Provincial Grand Almoners Team.

All of the money given to the EPAF is used for supporting Essex Masons and their eligible dependents who are connected with an Essex Lodge or Chapter

Where Does the Money Come From and where should it be sent to?

Contributions come from Lodges, Chapters and individual donations, together with a contribution each year from the EPCF to ensure the charity has sufficient funds to meet its emergency payments to our widows, brethren, and their dependents. The trustees support making the EPAF a self-sufficient charity by encouraging more wide spread donations to be made from more Lodges and Chapters. If every unit donated £50 or more each year then this ambition would be met. All donations are acknowledged immediately, and they are gratefully received and faithfully applied.

Cheques payable to the EPAF should be sent to Gary Hostler, 152 Warren Drive, Hornchurch, RM12 4QX

BACS payments to be sent to Sort Code 20 25 19, Account no. 30718890 with your unit name and number as the payment reference

Relief Chest payments can also be made using the 'green slip' quoting charity number 1177992

Essex Provincial Grand Lodge (Building Fund) Ltd

Directors

Trevor A. Murray, Paul J. Beech (Secretary), Jeffrey L. Conway(Chairman), James A. McCreadie, John D Davies, Colin Hutchins, Nicholas J Franklin, Clive Rees, Philip Lovelock, and Joe Shearer.

The company being limited by guarantee does not have a share capital, the only sources of income are from the interest received on loans and from interest received on capital.

The on-going improvement, and maintenance of Masonic Venues is essential for the benefit of every Freemason in Essex. The loans and assistance provided by the Building Fund has enabled many projects to proceed straight away, so benefits are felt immediately, rather than the work not be undertaken for a considerable time.

All Capital and Interest payments due from Masonic Halls are paid up to date and I appreciate the cooperation of all Masonic Halls in this respect.

The Masonic Venues who are currently taking advantage of the low interest rate from the Building Fund are Chingford, Colchester, Maldon, Mistley, and Rochford.

It is expected that Masonic Venues within the Province will take advantage of the facilities afforded by the Company, we have a wealth of knowledge and expertise concerning the Financial Management of Masonic Venues, as well as adequate resources to finance quite substantial projects.

The Board and the Provincial Executive are also concerned that Masonic Venues throughout the Province comply with current legislation in respect of Fire, Electricity, Gas, Health and Safety, Air movement, and the Disability Discrimination Act etc. and comply with legislation where Lifts etc have been installed; regarding annual maintenance requirements and certification, such that the Directors and Management of the Venues do not become liable in the event of any incidents.

These items of legislation require careful study so that the facilities of our Masonic Venues do not fall outside the law, and they behave all Boards and Management Committees to institute an appraisal of their premises.

The Essex Masonic CSA is an association for Essex Freemasons interested in clay pigeon shooting. Membership (currently 52) is open to them & their families who live or meet in the Province of Essex. The annual membership fee is £25.

Our aim is to provide a welcoming & safe environment for Essex masons to enjoy their sport while fostering a team spirit and representing the Province in National & Home Counties Masonic Inter-Provincial competitions. To generate money for the giving to charities both local and National.

Many Essex masons will already shoot with a club and may not have time to regularly shoot with another one but we would appreciate them joining us when we compete against other Provinces, particularly in the annual Inter-Provincial Home Counties Competition and the annual National Masonic Clay Shooting Championships.

In 2022 the EMCSA entered teams into the Essex Championships held at Arnold Farm in June. This event proved a good practice for future events as we held a very reasonable position in the scores. The next event on the 7th of June was the Hertfordshire Provincial Charity Shoot, Held at The Lea Valley Shooting Ground, Hertford. In this event the team did exceptionally well by coming first. Onwards to the next competition which was the National Championships held at Eriswell in Norfolk on the 11th of June. Yet again the teams performed another excellent shoot and again came first. We are now awaiting the Home Counties Competition to be held at Dartford on the 3rd of September. We are hoping for a similar success as previously achieved.

We regularly shoot in Fyfield, 3 Acres (Leaden Roding), The Fennes (Braintree) and at Dartford in Kent but we also have frequent outings to other grounds in & around Essex, London & Kent (our fixture list is accessible on the club website - www.emcsa.org.uk). We also participate in some open (non-masonic) competitions.

The fixtures this year have been full and comprehensive, most grounds are open and have established covid-secure protocols and we are shooting again on a regular basis.

While experienced shooters are always welcome the club is also an ideal place for novices to improve their shooting and to have fun in the company of like-minded individuals. Our experienced members, some of whom are qualified Instructors, are always willing to provide advice & guidance at club shoots and the Instructors are happy to offer individual lessons at competitive rates. You don't have to be a good shot to take part in competitions; only the top few scores in each team count towards the competition - for most of us it's just a good day out with no risk of our 'average' scores bringing the team's score down.

Novices are welcome to come along to 'have a go' before they commit to the expense of obtaining a Shotgun Certificate and buying their own gun and we will provide all the equipment they need. They will only have to pay the cost of the clays they shoot (including the ones they miss) and the cost of the cartridges. Cost estimate for Novices is available on application.

The Essex Provincial Bowls Association had declined many years ago, but was rebooted at The Rochford Kindred Daylight Lodge 9820 around 12 years ago by W.Bro. Tony Goater at the Hockley Bowls Club and only covered the Rochford and Southend areas. This has now expanded County wide with the assistance of Events Organiser W.Bro. Richard Goodwin.

We now have an Essex Provincial Bowls Championship which attracts over 40 bowlers from many Lodges all over the Province. Our aim is to expand this Association to have competitions from all over the Province and to organise events in other local Provinces in the near future.

"The Masonic Fishing Charity's aim is to bring an interactive fishing and countryside experience to people with Special Needs".

It achieves this by running fishing events, both coarse and fly, at various fisheries, participants from special needs schools, residential centres and people who have suffered trauma are invited to come and join in.

This is far more than just a day's fishing though! It enables mentally and physically disabled and disadvantaged people to gain in confidence, meet new challenges and achieve tangible results to take away; it helps disadvantaged people and those from harsh backgrounds to renew their confidence in meeting people and interacting with adults from outside their spheres; it helps physically disabled people (including war heroes and stroke victims) to participate and experience something that may otherwise be unavailable to them and it enables our volunteers to give back to the community and have some fun along the way.

The MFC is a non-profit organization run entirely by volunteers. It relies heavily on the goodwill and time of its volunteers and helpers to organise events for disabled and disadvantaged people up and down the country. Branches of MTSFC are organised on a County or Province basis and in the Areas and Events section of their website (www.mtfsc.org.uk) you can see the current branches and where events are currently held.

Essex Provincial Grand Lodge of Mark Master Masons

Mark Masonry

R.W.Bro. T.D. Sheern
Provincial Grand Master

The Mark Degree is the third largest and one of the most popular Degrees in Freemasonry containing some 1,500 Mark Lodges in the English Constitution, with Essex being one of the largest Provinces. The Degree is known as ‘the friendly Degree’ and all Master Masons are eligible and encouraged to join. The Degree is slightly less formal than Craft and there is no doubt that among Mark Master Masons you will ever find friends.

Similarly, to Craft Freemasonry, the Mark Degree conveys moral and ethical lessons using a ritualised allegory based around the building of King Solomon’s Temple prior to the death of its principal architect, Hiram Abif.

Initiation into the Mark Degree is termed ‘Advancement’ and in a chronological sense, the ceremony follows that of the Fellow Craft Degree.

As it is worked today the Mark ritual actually covers two Degrees – the candidate first being ‘Acknowledged’ as a Mark Man, and then being ‘Advanced’ as a Mark Master Mason.

The Degree is only one of two Masonic Orders to deal with actual stonemasons working and the Ceremony of Advancement follows the fate of an ambitious Fellow Craft seeking promotion in his trade by demonstrating his skills and ability

**The Ancient and Honourable Fraternity
of
Royal Ark Mariners**

R.W.Bro. T.D. Sheern
Provincial Grand Master

Candidates for Initiation into the Royal Ark Mariner Degree are termed as being 'Elevated' and this ceremony is based on the story of events before, during and after the Biblical Flood when Noah at the request of God built an Ark for the preservation of his family and all the known living creatures.

All Mark Master Masons are eligible and encouraged to join this colourful and enjoyable Degree characterised by its rainbow aprons and jewels.

The symbol of The Degree is the Equilateral Triangle and the points represent Wisdom, Strength and Beauty whilst the Five Cardinal Virtues characteristic of Masonry: Watchfulness, Discretion, Brotherly Love, Truth and Charity are illustrated.

Whilst the historic prerequisite to become a Royal Ark Mariner is to be a Mark Master Mason, the Degree, however, has no connection symbolically or otherwise to the Mark Degree. The regalia and ritual are entirely different and, if you are fortunate to hear a presentation of the Tracing Board, you will realise that this is truly an ancient Degree.
